As most of our Guild knows Linda fell in her home just before our quilt show.

I am sure she will have a lot to tell us when she has recovered.

In the mean time we all will keep Linda and family in our thoughts and prayers.

February Newsletter

2016 Membership Renewal is drawing to a close. I have contacted all members who have not paid their dues as of February 1st to make sure everyone has the opportunity to be a member for 2016. We currently have 88 members who have paid their dues. Thank you!

T-shirt sales were very good! We had 63 shirts ordered, and they should be quite impressive at our quilt show, not to mention the great advertising our guild will receive from members wearing them to quilt runs, quilt shops and Road! Remember, we are not replacing the apron; we are providing an option for those members who have **requested** this opportunity.

Security Quilts

Hi Quilters,

We gave 7 quilts to Hospice. They were very happy to get them. They said that they were getting low. Kathleen, our new co-chair, and her husband, John went as well and they were very impressed on how they distribute the quilts and the need for regular and patriotic quilts. The pillowcases were also mentioned. (We are still accepting them for the children.)

We will have sew-ins with the first one March 28th, the fourth Monday of March in the Yackers room at Valley Wide. There will be a sign-up sheet at the February meeting. This is a time when we get caught up in our number of quilts and also have a good time. There will be coffee and snack. Come at 9:00- 12:00. Whatever time you come will be helpful.

This year let's fill the Yakker room like in years of old. We can hand quilt, tie quilts. sew on our own projects and get advice and share what we do with our friends. We pay for the room, let's use it!

It's been a pleasure working on and giving of the Security Quilts Project for the last few years. I'm looking forward to working on future projects with the Valley Quilt Guild in 2016.

Thank you to all,

Hospitality
