President's Message

Did you know that each president must choose a theme for her/his presidency, and a character that is shown in the newsletter? Well, neither did I. I questioned the idea of a theme—what exactly does that mean; what is the purpose? I have never heard a guild president identify their theme, and how that relates to their objectives to improve and expand the potential of Valley Quilters. Well, the response I received was troubling. I was violating and diminishing the importance of tradition. We have always done it this way; just do it and don't question its value or validity. Actually in hindsight, I appreciate this interaction because it illuminated a deep-rooted, systemic philosophy that I will identify as a mistrust of anything that challenges the guild's norms. So I chose what I believe is a valuable and challenging idea.

“Change is inevitable; growth is intentional.”

So, this is my theme, my direction, my goal. We are a great guild that is aging, and we are not taking advantage of the experience, talent and potential of our members because we do not want to change what we do. As my theme implies, the world will change regardless of our persistence to avoid its influence. Whether we, as a guild, flourish and maintain our remarkable accomplishments depends on our ability to adapt to a new environment and begin doing business differently.

Barbara Bradford
President

This month our meeting is on March 22, with Kathy Cardiff presenting a lecture on wool appliqué. Then on Wednesday, March 23 the workshop will be making a Cottage Clutch, which is a wool appliqué project. I will bring the sample to the meeting to show in case anyone missed it. Due to cancellations, we still have spaces for additional attendees. Don't miss this opportunity for a taste of wool appliqué in a small project; it would be the perfect gift for a friend who loves sewing, quilting, or needlework.

No lecture or workshop in April, but it's not too early to start planning for a fun workshop on May 25: Stitch and Flip technique, Dresden Small & Simple. Sign up at the April meeting

Fat Quarter Fun
Jeani Campbell 951-925-9966

Our fat quarter draw will be a little different this year. Just to mix it up a bit we are going to give ALL fat quarters to one lucky lady. That will give the winner the opportunity to make a whole quilt from what she gets. Please remember to use only quality fabrics (the kind you would like to get).

Since I don't think you can do quilt related things without m&m's, there will be a package in each basket along with a book or magazine. I know some of these are open for interpretation. Just have fun with it.
