President's Message

The response from my last posting was overwhelming, but not surprising. Thank you for your insights and comments. They are always appreciated.

The Scholarship Luncheon was a wonderful success because of the efforts of many people. I would like to recognize the Scholarship Committee—Yvonne Pope, Kathy Barbay, Sue Leuschen and Madelyn Flynn—for their diligence and hard work to identify five outstanding students who will benefit from the guild's funds. Also deserving of thanks are those who made quilts and quilted them for students; Mary Myers, Marianne Crouch, Wanda Sousa, Jeani Campbell, Betty Barney, Chuck Anderson and Nancy Williams. Naturally our festivities would not have been complete without Lorie Mathis who did a great job of decorating—all on her own—and made sure we had everything necessary for our brunch. Last, but not least, a gigantic thank you to guild members who provided all the yummy food and drink; everything was delicious.

I would also like to acknowledge the twenty Standing Committee members and twenty-two Ancillary Committee members plus the Executive Board who have embraced their new responsibilities. Of special note are our three ladies from Canyon Lakes—Linda Card, Janie Currey and Johnnie D'Alessandro—who are working diligently to make next year's quilt show even more successful, and Lu Majerus who has immersed herself in planning and organizing guild speakers and workshops to make sure we have affordable and meaningful speakers each month.

The other important compliment necessary is to you—the members. Perhaps it was the occasion or the celebration, but I sensed an enthusiasm and liveliness—especially from that rowdy table led by you know who—that is sometimes missing from our gatherings.

I would like to remind you also about the upcoming Pass Patchers Spring Fling on May 18 at 9:00 in Beaumont. They will have twenty-five Valley Quilters members attending this function.

Hi Quilters, we have exciting times ahead. Anelie Belden will be here this month for a lecture and workshop teaching us new techniques for Dresden Blade quilts. The workshop is full, but if you are wanting to go please see me at the meeting in case there are cancellations. Next month **Jean Impey** will be joining us for a lecture only; you can see her work on her website: **sewjean.com**. I will also be starting sign-ups for our July workshop with **Cindy Myers**. We will be doing a project called Prismatic Star. She is a certified instructor for July Neimeyer, so this will be a "not to be missed" workshop! You can take a peek ahead of time at **quiltworx.com**.

Please remember that all classes must be paid for at the time of sign-up to reserve your spot, so don't forget your checkbook and miss out!

Proposed Standing Rule Change

The Board voted to modify Standing Rule 11, Page 24. Replace the current rule and insert:

"Reimbursements for mileage for guild-related business must be approved by the Board. If approved, reimbursement will be calculated at the current yearly IRS rate for charitable activities".

This topic will be discussed at the guild meeting in May and members will vote on the change.

Fat Quarter Fun
 Jeani Campbell 951-925-9966

Our fat quarter draw will be a little different this year. Just to mix it up a bit we are going to give ALL fat quarters to one lucky lady. That will give the winner the opportunity to make a whole quilt from what she gets. Please remember to use only quality fabrics (the kind you would like to get).

Since I don't think you can do quilt related things without m&m's, there will be a package in each basket along with a book or magazine. I know some of these are open for interpretation. Just have fun with it.
