President's Message

I'm very sorry to have missed our Birthday Party at the September guild meeting. However, I did save quite a bit of money by not having the opportunity to buy any of the gorgeous items that Primitive Gatherings provided. Unfortunately, any financial gain I did achieve was quickly spent at the Palm Springs Quilt Show. So much beautiful fabric; so little money!

I'm also sorry I missed seeing the lovely black and white decorations that Lori Mathis used to create the stunning surroundings for our party. I hear that there were delicious nut cups for everyone; did anyone save me one? Also, everyone on the Board raved about the mountain of scrumptious food that was provided by all of you wonderful cooks. As always, it was a great celebration because of the hard work and generosity of so many.

My sincere thanks for the lovely cards I received from many of you; they are greatly appreciated. I have lost my very best friend but I know that I am certainly not alone. Being a part of this guild provides me, especially now, with friendship and purpose so I can gradually move on.

Hi Quilters,

The year is rapidly flying by. Our local expert, Lenie Bosman, will be our guest speaker on October 25. She will be showing and lecturing on Rescue Quilts. The workshop scheduled for Wednesday, Oct. 26 has been cancelled due to low enrollment. This was the last workshop of 2016, but we will have one more lecture in November. Then we have no more guests until March 2017.

Security Quilt Report for Sept./October 2016

We took 14 quilts to different places. There will be another sew-in on October 31st.

We realize that each of you are busy with your own quilts but keep in mind if you have material or started quilts that you would like to have finished and given away to a child or senior please do not hesitate to bring it on Monday, when we are tying quilts at Valley Wide.

Monday is also a good opportunity to fill you requirement of working on two Security quilts each year. Both Linda and I have been coming to **Yakkers** for over a year. It is a wonderful opportunity to meet quilters on a one to one basis. Many of my questions have been answered and I feel more a part of Valley Quilters because of the time I spend on Monday mornings. **Please** come and join us.

Opportunity Quilt Tickets

Please return your money from the sell of your tickets to Linda, Johnnie, and Janie as soon as possible,. We have more tickets, so please keep selling. All the money we raise goes towards college scholarships, so the more we sell the more we can help students realize their dream of college.

Quilt and Road to California

Want to earn free admission to Road To California? If you volunteer to white glove for two hours at the show you receive free admission. White gloving at this show is a lot of fun, you get a chance to be up close and personal with the quilts and get a chance to visit with the public. By volunteering ten hours, our guild can display our Opportunity Quilt at the show. Please look for the sign-up sheet at the table.

Volunteers Needed

The Opportunity Quilt will be at Road To California on January 21, 2017. We need volunteers to sell tickets for two hours or more on that day. If you do not White Glove you will need to pay for admission. Please look for the sign-up sheet at November's Guild meeting.

Quilt Show White Glove

Nancy Alaksin 652-1125

It's time to start thinking about what you want to do during the quilt show. I know we all have our favorite jobs we like to do. White gloving is done all day for both days of our show. We only ask for 2 or more hours a day. When you white glove, you wear a pair of white gloves and carry around a few plastic gloves as you walk up and down the rows of quilts. The purpose of this job is to keep our guest from touching the quilts. Everyone has put too much work into their quilt and do not want stains, and sticky hands on their quilts. You will also be able to show guests the backs of quilts and to answer any questions they may have. We also have sit down jobs like selling opportunity quilt tickets, tying security quilts, selling tickets at the door, and handing out door prize tickets. There are a few more jobs, this is just a short note to let you know that we have a lot of fun time coming up and would love to have you join us. I thank you in advance for anytime you are willing to share with us at the show.

Quilt Show Kitchen
Lori Mathis 532-6705
Elsie Bratcher 929-5610

Once again we are asking you to sign up to bring food for the quilt show kitchen. Signup sheets will be at our October, November, December and January meetings. If you are not up to cooking or shopping, there will be a cash donation sheet available. The cash donated will bring down the cost of each serving. We will need all your help as we serve our hard working crew on Wednesday and our crew setting up on Thursday, Friday and Saturday. In addition to all the volunteers, we also provide food to the vendors present at the show. Thank you in advance for your help.

We will also need help in the kitchen. You can sign up and let us know when you are available.

Quilt Show Boutique
Marianne Crouch &
Veronica Batiz

Boutique pricing will resume on Wed. October 19th. **Donuts and Coffee!** Don't be bashful, we always have a good time.

If we have anything for boutique, please leave it in front of Marianne's garage door or bring to our guild meeting day.

Ye Olde Consignment Shoppe 2017
Kathleen Reinders, Jan Patton,
Wanda Souza

We are so excited about our 2017 Quilt Show Consignment Shoppe on February 10th and 11th. It will only be a success if you, our members are actively engaged. We will need lots and lots of your sewing related or handmade items...**SO GET BUSY!** The consignment sheets and separate consignment agreements requiring your signature must be completed and back to us on or before our December Guild Meeting, at which time we will give you the number of sales tags you require. **Please remember when pricing your items that 15% of the sales price will be paid to the Guild and you will receive the other 85% of the sales price.**

There seems to be some confusion regarding the kinds of items you may sell. Items either sewing related or handmade and sewing related are what we are after. We welcome sewing machines, sewing tables, rulers, Ott lights, books, quilts, etc....I'm sure you get the gist as long as it is sewing related, along with your handmade items. Whatever you saw in the shoppe last year is welcome this year too. No changes have been made. Please direct any questions to the following committee members:

Jan Patton 951-767-2233, pattonplace1@gmail.com
