President's Message

Hi Quilters!

Our May guild meeting was super! Peggy Martin is a really great speaker. It would have been nice if we as a GUILD would have shown Peggy the respect she showed us in her presentation. I was very embarrassed by the chatter among the members, the cell phones going off, and members on phones with their speaker on!

We gather once a month to see our quilting buddies and to listen to our great speakers. That is the sole reason some members join Valley Quilters, NOT to listen to others RINGTONE or CONVERSATIONS. We are wasting the money on the speaker if we cannot hear her. This type of behavior is not acceptable at future meetings.

PLEASE TURN OFF YOUR CELL PHONE OR PUT IT ON VIBRATE BEFORE THE START OF THE MEETING. If you must talk with a caller, go outside and carry on with your conversation.

Thank You!

Hi Quilters!

We had a great workshop with Peggy Martin; so sorry more of you were not able to attend. Her method of paper piecing seems easier than most. However, our speaker for June is Catherine Wilson, who is going to teach us her method of Paper Piecing the Easy Way, so you can find the method that works for you.

Our next workshop will be in July with Jean Impey. We will journey into the world of modern quilting with a scrappy quilt, no kit required. The added benefit is that she will teach how to quilt it as you go, so no long arm quilter needed either! You need to sign up at the June meeting and pay at that time, \$30. Don't miss it!

Mystery Quilt Challenge

Chuck & Carol Anderson

The first clue was ready for pick up and can be made in several sizes. Further clues will be emailed to participating members. The final reveal will be at the Christmas meeting.

Nancy's UFO Challenge

Doris Rogers

Your UFO must be at least one year old. You need to sign up and give me a list briefly describing your UFO's. For each UFO on your list you need to give me a corresponding number of fat quarters. For example, if you have 5 projects listed, then 5 fat quarters need to be given to me. When you finish a UFO, bring it to our meeting and choose one fat quarter from the basket. At the end of the year, a name from the participants will be picked to receive all the remaining fat quarters.
