Valley Quilters Guild 2020 quilt show is February 7th and 8th, 2020. Linda Card and Vannarin Warner are in charge of Quilt Acquisitions for this show.

We are sending this packet out to Quilt Shops and Quilt Guilds with the hope that you will pass out the enclosed entry form to anyone interested in entering a quilt in our show. We are celebrating our 40th quilt show. Surely, it has to be one of the longest running local quilt shows in Southern California.

We display over 100 quilts, and have vendors from near and far. Julie Zgliniec is our 2020 quilt judge and appraiser. Julie will only be available on Saturday February 8th for quilt appraisals.

We cordially invite any quilter interested in having their quilt displayed in our show to fill out an application and mail to:

**Remember ALL quilts must have a sleeve, no matter the size of the quilt. We cannot accept quilts that have been entered in a national quilt show.**

If you need additional entry forms, please go to our website at [valleyquilters.org](http://valleyquilters.org) or contact me at [dracfour@yahoo.com](mailto:dracfour@yahoo.com)

May your thread never break and your needle never bend!

Thank you.
