President's Message

Dear Valley Quilters,

Can you believe we are already into Summer? I always look forward to this time of year! I know it's hot, but at least we can be out and about once again. I will be traveling to Washington in July for a quilting retreat, and then in late July it looks like I might be going to Oklahoma to visit family.

I'm was so excited that we were able to have a board meeting this month. Linda Card graciously opened her backyard for us. Thank you, Linda!

We'll be able to have a Guild meeting this month on June 23rd at 9:30am. This meeting might look a little different, as we were not sure how Seven Hills will have the room set up for us. Please have a mask with you, just in case it's needed. I'm not real sure as to the rules regarding face coverings at Seven Hills, so let's be prepared.

Edna Hornkohl will be doing the drawing for the Block of the Month quilt from last year at our guild meeting this month. Please bring your quilt to Show and Tell. Remember, "a quilt is not a quilt till its quilted". The quilts need to be finished for the reveal, so hurry and get that binding sewn on!

We need to be thinking of ways that the Guild could make money, just in case we should lose the opportunity to have a quilt show next year. The Board came up with a few, such as a tea party luncheon or yard sale at the guild meetings. So, if you have any great ideas, please let me know. At the July guild meeting we will need to make a big decision regarding Christmas. Yes, can you believe it? Christmas is only 5 months away. We will be voting on whether to charge (instead of refunding) for the luncheon or do a potluck instead. Please be thinking about which choice you prefer.

We are still waiting to hear from Valley Wide as to when we will be able resume Needle Yakkers, classes and Mini workshops. Valley Wide is waiting on the State, so we will wait too!

The Challenge Quilt by Shirley Mykris, Storm at Sea has been continued to December 2020.

Looking forward to seeing everyone at the Guild!

Donations for the Guild Grace Ward

One of the ideas of raising funds for the guild was to offer a CD with 40 block patterns that would create a beautiful quilt called **Women of the Bible**.

There would be a \$15 donation for the CD. After deducting the cost of the pattern, all proceeds will be donated to the guild.

Throughout this 40-block series, you will be introduced to several Women of the Bible through individual quilt blocks. Each pattern begins with historical references and devotional reflection. At the end of each block is a space provided for your personal reflection. If you have any questions, please give me a call.

Opportunity Quilt Update Sue Leuschen & Lori Mathis

Hello everyone!

I am so looking forward to seeing everyone next week for our first Guild Meeting, Post Corona Virus. We made it through, and we are ready to move forward with caution.

I will have the **Opportunity Quilt** tickets ready for pick up at the **June 23rd** guild meeting. We're all going to have to work extra hard to purchase and sell as many tickets as we can to our family and friends. These funds will go towards scholarships for students in the area. So, please bring your checkbooks to the next meeting and pickup your tickets.

Thanks Lorie

Neighboring Guilds

I need our help! I'm having trouble contacting people from other guilds, so that we can show our quilt and sell tickets. If you know someone from another guild, please call me with their contact information.

Thanks!

Sue

It will be so good to see everyone again, and know that you are all well even after being quarantined for 3 months. We're going to have a drawing again this year for those who finished their blocks each month. So, please bring your finished (3) blocks, show them to me and put your name in the jar. Hope you have all had fun making them and using up your scraps and UFO fabric. If you have any questions, I will be happy to try and answer them.
Keep Quilting!

Pet Beds

Jenelle Pickett

I am looking for some wonderful pet lover to take on the job of making pet beds for the Ramona Humane Society in San Jacinto! It is a simple, enjoyable task of collecting scrap pieces of batting which is cut in 2-3" pieces and stuffed into bags made out of just about any washable material in various sizes to fit into pet cages to give the shelter animals some comfort. The lucky person who takes on this fun job will have a very large bag full of already constructed "bags" to stuff and close on the machine! This BONUS is courtesy of Lyla Stigall. She has been wonderful to work with over the years.

I am sad to give this activity up, but due to increasing problems with neuropathy, a dis-located shoulder, and losing the help of my son, John, I can no longer continue!

Call me at 951-305-7215 if you want to take over!

Show and Tell

Marith Jones and Edna Hornhokl

Like the rest of you, I hope the staying home is about to come to an end. Now that we are coming out of hibernation, it will be time to show each other what we have been working on in our sewing dens.

Please remember to bring your quilt projects to Show and Tell for all of us to enjoy! Please try to limit what you bring to share to 3 pieces, so that everyone has a chance to share before we have to be out of the clubhouse. I look forward to seeing you all.

Thank You

Marith Jones
