President's Message

Happy Halloween, I have hung up my broom and I am ready to stay home for a while. Most of you know I have been gone since the 24th of August. I want to say a special Thanks to all that filled in on my behalf while I was gone. Thank You, and it's good to be home.

The holidays are upon us. I know a lot of you may be working on quilts, table runners, and other projects. I am sure you are also thinking about the quilts you will be entering in the Quilt Show.

On the story of the Quilt Show I have already received an application for a quilt entry. As most of you know the Quilt Show is going to look a lot different this year. But what's new, nothing is the same as it used to be. That being said, it is going to take **Everyone** working this year. We have 98 members and that is so exciting because now we have 98 people to help. If you can't stand, we have job for you, if you can't walk, we have jobs for you, if you can't lift, we have jobs for you. So, we have a job for everyone and we need everyone to work to make this a GREAT Quilt Show.

I got to go Missouri Start Quilt Co. in my travels. Quilt Town USA the whole town is the quilt store. You would be so proud of me, I only bought one piece of fabric. LOL

I was home for only a few days when Edna and I left to go to a quilt retreat in Sutter Creek, CA. It was so fun to relax with friends and sew. I made the challenge quilt while I was there. Went shopping in the quaint town. Then last Friday I flew back to Kansas City to attended my aunts memorial service. Its ok she is in Heaven and was 99 years old and lived life till the last months of life. I got home Monday afternoon and Board meeting on Tuesday morning. If you are tired reading all this "I am really tried." Looking forward to getting back to being home and with my friends and family.

A quilt will warm your body and comfort your soul, we all may need comfort from the world around us. I think being at guild can bring the comfort of friendships working together.

Valley Quilters 2022 Quilt Show Nancy Alaksin

Hi VQ Members:

The Quilt show plans seem to be coming together nicely. We still do not have anyone to make the signs for 2nd time around and consignment. We have a sign stand to put a 20x30 sign on. But I think we will need another one to put by the main entrance of the building and one at the location. We also need signs directing guest to consignment and 2nd time. I think we will need about 5 or 6 of those signs. We need to direct guest from the main show to the rear of the tennis court, so we need signs directing to the location and the we need signs from the back parking lot to where the events are being held. Sign-up sheets will be at the guild meeting, so you can pick your job for the show. It should be an exciting show. Everyone is looking forward to it including the public.

So, Ladies and Gentlemen let's get with it and help with these signs. Remember the Quilt Show Chair-members are not the only ones making the show happen, it takes the entire guild. So, sign up early for your job, so you get the one you want. If you don't step up and make the signs, will you be walking the guests to the rear locations?
See you at the sign-up table!

Nancy Alaksin, Quilt Show Chair

It is so very exciting to be welcoming new faces to our meetings. We now have 98 members. So, be sure to welcome our new members and our returning members. We want everyone to be inspired by the programs and our show and tell. But most importantly, we want everyone to feel like we are a welcoming community. We are so comfortable with the people we sit with each month. But reach out to other quilters you see to say you are happy to see them also.

Sue Leuschen

I will have sign-ups for the Quilt Show at the next Quilt meeting on October 26th. We will need everyone to sign-up for something as we have additional spots to fill because we will be using buildings in the back behind the tennis courts for our 2nd Time Around and Consignments. Sue Leuschen

Hi everyone!

We have been very busy this month. Just to take our quilt to another quilt meeting in another city and sit and sell our tickets, we have made \$271.00 plus. At the Seven Hills Craft Fair we made \$207.00. We will be going to Beaumont yet this month.

Next month we hope to have Menifee, Norco and Big Bear. If you know of other places let me know.

Thank you to the quilters who came forward to sell tickets and earn scholarship money for our local college bound seniors. Last year we were able to give \$1,000 each to four students plus a quilt.

Thank You again!

Yakkers and Philanthropy Projects

Natasha Macias
and Sharon Brewer

Needle Yakker workers have been busy bees lately getting Security Quilt kits ready for guild members to take home to complete. After its completed bring it back to the next guild meeting and it will be given to a person in need. What's great about that is it satisfies your membership agreement and you feel really good that someone will be warm with their cozy quilt.

So, at the next guild meeting you will be asked to take a security quilt and bring it back completed.

Thank you in advance! We appreciate your help!

Block of The Month

Sally Hill

Grandma's Garden

We are nearing the end of our Block of the Month Quilt. Hopefully, some of you will be able to enter your quilts in the Quilt Show in February 2022.

Block 9 is the Rose Triangle. 6 Triangles will be made. They are similar to Rose Buds. You may show me a picture your finished Triangles by email, text or at our Guild meetings. Here are a couple of interesting facts about Roses: (from Better Homes & Gardens) -The Rose became the United States National Flower in 1986 -Roses are one of the oldest flowers The Oldest Rose plant is over 1000 years old growing in Germany - There are over 150 Species of Roses.

At our October Guild meeting, I will have a small drawing for those who have shown me their Blocks 4, 5, & 6. Then in November, there will be another small drawing for completed Blocks 7, 8, & 9.

Thank You,

Sally Hill Sal6616@hotmail.com
