President's Message

Merry Christmas everyone! Hope you have a wonderful holiday season and are able to enjoy it with family and friends. There seems to be a lot of sickness going around, so hope you are able to also stay healthy.

It is time to renew your membership, and also a sign up for a job in the guild. It takes everyone working together to keep the guild running, and is also a great time to get to know the other members. I appreciate all the work the committee members do to make our meetings happen each month. The renewal forms are online and Grace will be ready to help anyone, if you have a question.

Our Christmas meeting will be fun for everyone, we have some entertaining things planned for our program ,plus a catered meal. Each member will have the opportunity to participate and a chance to laugh with their friends. Remember the meeting is December 13th, this is a change in our normal date.

Words of Wisdom: That fabric you need more of for the quilt in #1 is back in production, but it is a new dye lot and does not match what you have.

Merry Christmas everyone

Lind

We currently have 92 members. Our membership drive is now on for our next year. We have to get this done so we can have the updated books for March. We need you for you to return the first 3 pages of the application. We will be resending the application request. Please print out the forms, sign them, sign up to help in a job and return with your payment. As a fellow member, speak to someone not at your table.

It's my Birthday Month, and we're gonna have a party!!! And, I'll get there EARLY, so my present can get a lot of tickets. I don't know what it will be, but when you win it, we'll all find out!! But, I'm not the only one that can have a birthday month where there is a feast prepared to celebrate, so why don't you come EARLY, also to see how many other presents and birthday people there are this month. What an idea! I can't wait!! See you there.
