### President's Message

HAPPY MOTHER'S DAY! I hope everyone is able to enjoy this day with their family. My family is scattered from the East coast to the West coast so we will be greeting each other by phone. It isn't the same as having them here but it works.

Thank you to Judy Bjorklund and her committee for the scholarship meeting. It is an exciting time for the students to be able to go forward with their education. The food again was exceptional, it is fun to see what everyone creates. I know there was interest in making a cookbook with the recipes in so hopefully we can get something going with that.

We have a speaker and workshop this month by Linda Sullivan. There are still a few spaces in the class if you are interested, you will be able to sign up at the meeting. I don't think I have ever heard her speak so it will be fun to see her methods and ideas.

Keep quilting

Linda

AND don't forget, the guild has its' own Friendship Group otherwise known as Needle Yakkers and they meet Most Mondays at 9:00 at the Recreation Center by the tennis courts behind the Red Door (despite it's - the 'red door's' reputation).

If you would like to participate/create a new Friendship Group, please send your information to me at: [gltangl@verizon.net](mailto:gltangl@verizon.net) before our meeting on May 23<sup>rd</sup> or any time and I will coordinate all of the input and provide feedback and assistance in moving forward.
